GARDEN & HORTICULTURE – DIGITAL BENCHMARK REPORT

A comparison of search engine optimisation, digital paid media effectiveness and website optimisation

How do you compare?

FREE DIGITAL BENCHMARK REPORT – *What to Expect...*

We have prepared your easy-to-digest Digital Benchmark Report to help you to understand how you perform against your competition quickly.

We looked at a ranging cross-section of websites within your sector and detailed how they rank in relation to site performance and visibility – covering everything you would need to know, from insights into what they are doing well, to quick-fix opportunities for your own business.

- 1 Up to 11 of your competitors digital health analysed.
- 2 1,300 unique and relevant data points.
- 3 70 pages of information and recommendations for your sector.
- 4 **Delivered FREE when you book in a 15-minute call** – [Schedule a call now!](#)
- 5 No sales push - just a chat and a chance to get to know each other.

BRANDS INCLUDED –

These are the brands we've included in your report:

HOW DO YOU COMPARE?

If you'd like to see a different set of brands – [*let us know!*](#)
